

## **OTVORENA POZICIJA**

Postani dio multinacionalne integralne inženjerske tvrtke - pridruži se dinamičnom, modernom i raznolikom timu grupe Mack Project Engineering!

Pružamo cijeli niz inženjerskih usluga temeljenih na informacijskom modeliranju zgrada (BIM) i Lean konstrukciji.

S 25 godina iskustva iza nas, ponosno možemo reći da smo se uspješno uhvatili u koštac s izazovnim projektima u području farmacije, ugostiteljstva, stambenih zgrada i dr. – iz čega su nastale vrijedne reference.

Zašto bi trebao/la postati dio našeg tima?

Etabilirana smo tvrtka u brzorastućoj građevinskoj industriji i tražimo talente koji će ojačati naš tim i aktivno sudjelovati u daljnjem razvoju tvrtke; tvrtke koja je prihvatila inovacije i digitalnu transformaciju; tvrtke koja ulaže u ljude i suvremene tehnologije, kako bi pružila cijeli spektar visokokvalitetnih inženjerskih usluga.

Ako baš to tražiš, vrijeme je za sljedeći korak - prijavi se za poziciju:

### **BIM Tehničar/ Modelar (Ž/M)**

#### **Opis posla:**

- 3D modeliranje u programima Revit ili Archicad
- Izrada 2D nacrti i tehničke dokumentacije
- Terensko snimanje laserskim skenerom zatečenog stanja građevina i instalacija
- Obrada snimljenog materijala i priprema za modeliranje

- Sudjelovanje u izradi virtualnih šetnji (VR) i podršci za proširenu stvarnost (AR) na projektima
- Sudjelovanje u građevinskim projektima kroz BIM kolaboraciju

### **Potrebne kompetencije:**

- Viša (VŠS) ili visoka (VSS) stručna sprema, prvostupnik ili magistar građevinske, strojarske ili elektro struke
- Poželjno 1 godina relevantnog radnog iskustva u poslovima izrade nacrtna dokumentacije ili 3D modeliranja
- Poznavanje i korištenje računalnih programa: MS Office-a, AutoCad, MS Project
- Prednost poznavanje REVIT, ARCHICAD i 3D CAD sučelja
- Prednost poznavanja BIM standarda
- Prednost iskustvo rada u projektnom timu
- Znanje engleskog u govoru i pismu (prednost znanje talijanskog)
- Vozačka dozvola B kategorije
- Inicijativa i samostalnost u rješavanju tehničkih pitanja

### **Što nudimo:**

- Radni odnos na neodređeno vrijeme uz probni rok od 3 mjeseca
- Kompetitivna primanja
- Rad u kompaniji sa širokim znanjima i integriranim uslugama u području građevine
- Suvremeni način rada uz korištenje modernih tehnoloških rješenja i BIM standarda
- Internacionalni karakter kompanije
- Kulturu kompanije koja potiče inicijativu i inovativnost zaposlenika, otvorenu komunikaciju, osobnu profesionalnu realizaciju, te omogućava ostvarenje *Work-Life* balansa
- Profesionalni razvoj i edukacije

Životopis poslati putem maila [careers@mack-project.com](mailto:careers@mack-project.com).

Kontaktirat će se samo oni kandidati koji ispunjavaju uvjete navedene u oglasu.

## **JOB OPPORTUNITY**

Become a part of a multinational integrated engineering company - join the dynamic, modern, and diverse team of Mack Project Engineering Group!

We provide a full range of engineering services based on Building Information Modeling (BIM) and Lean Construction.

With 25 years of experience behind us, we can proudly say we successfully tackled challenging projects in the fields of pharmaceuticals, hospitality, sports camps, residential buildings - all providing us with valuable references.

Why should you become a part of our team?

We are an established player in the fast-growing construction industry, looking for high-performing talents to strengthen our team and to actively take part in further company development; a company that embraced innovation and digital transformation; a company that invests in people and contemporary technologies, to provide a full range of high-quality engineering services.

If this is what you are looking for, take the next step - apply for the position of:

### **BIM technician/ modeler**

#### **Job description:**

- 3D modeling in Revit or Archicad
- Preparation of 2D plans and technical documentation
- Laser scanning of the current state of buildings and installations
- Processing of recorded material and preparation for modeling
- Participation in the creation of virtual walks (VR) and support for augmented reality (AR) on projects
- Participation in construction projects through BIM collaboration

**Required competencies:**

- Bachelor's or Master's degree in civil engineering, mechanical engineering, or electrical engineering
- Preferably 1 year of relevant work experience in drafting or 3D modeling
- Knowledge and use of computer programs: MS Office, AutoCAD
- English language - professional working proficiency
- Driving license B category
- Initiative and independence in resolving technical issues

**Advantages:**

- Knowledge of REVIT, ARCHICAD, and 3D CAD interfaces
- Knowledge and experience with the BIM standards
- Experience of working in a project team
- Croatian language - native or full professional proficiency
- Knowledge of Italian language

**What we offer:**

- Employment for an indefinite period with a trial period of 3 months
- Competitive compensation package
- Working in a company with extensive knowledge and integrated services in the field of construction
- Modern way of working with the use of modern technological solutions and BIM standards
- The international character of the company

- The company culture that encourages initiative and innovation of employees, open communication, personal and professional realization, and enables the realization of Work-Life balance
- Professional development and education

Apply with your CV and cover letter via email [careers@mack-project.com](mailto:careers@mack-project.com).

Only short-listed candidates will be contacted for the interview.
